Alma Mater

Oh Stone High School is her name

And in our hearts she'll stay,

Forever we will carve her fame,

In life's enchanted way.

With loyalty, and honor too,

We will always praise the white and blue,

For Stone High School we will stand

It's best in all the land.

DEDICATION

We the editors and staff of the 1968 "Echo" have chosen two teachers whom we feel are worthy of recognition for their many daily contributions to the student body of Stone High School.

For all these services, we proudly dedicate to you, Mrs. Betty Parsons and Mr. Alfred Byrd, our 1968 "Echo", as a symbol of our admiration.

ADMINISTRATION

OUR PRINCIPAL

It has been a real pleasure working with the faculty and student body this year at Stone High School. The school year opened in an atmosphere of cooperation with great school spirit, and this atmosphere has prevailed throughout the entire year.

Much credit is to be given to our faculty and staff for their faithful service and untiring effort to help each and every student with whom they have worked this year. Our teachers have proved that they are competent and dedicated to their task as educators.

The student body has been very co-operative this year in every respect. They have exhibited a spirit of friendship through the school session and have accepted their responsibilities in a most pleasant manner.

To the graduating seniors, I must say that they have amply fulfilled their responsibilities as leaders and have inspired the underclassmen throughout the year. As they leave our school, I would like to say, "Congratulations for a job well done, and may the future hold in store for every member a very pleasant and successful life."

ACTIVITIES

MR. AND MISS SHS

Austin Hart and Colleen White were elected by the student body to represent them as Mr. and Miss SHS.

Colleen has been very active throughout her four years at Stone High. She was elected class president and Maid in the Homecoming Court her sophomore year. She has been elected to Who's Who for three years and has been a cheerleader for two years. She was elected by the football squad as Homecoming Queen. Colleen has also been active in the band, choir, and many other club activities.

Austin Hart has excelled in athletics during his four years at Stone High. He has received honors both his junior and senior years as an outstanding football player. He was chosen as the Outstanding Back in the Gulf Coast Conference and at the Pickle Bowl this year. Austin plans to attend the University of Southern Mississippi next year on a football scholarship received as a result of his outstanding abilities.

In Memoriam

On November 21, 1967, Bruce Lott, son of Mr. and Mrs. Jeptha Lott, was fatally injured in a hunting accident.

The sudden death of Bruce Lott was a great shock to those who knew him.

Bruce, a sophomore at Stone High School, was a member of the FFA.

With pride and grief we pay tribute to Bruce Lott.

THE CLIMAX of 1967

OUR PROM

"What are you lookin'at?"

"They call me CHICKEN WOMAN!"

"Tell me that once more."

"Did you have to do it?"

"These boots are made for walking."

"I can't help it if I don't have any shoes."

"Look, I can chew if I want to."

"Look at the monkey."

"Aw, Gee!"

"I told you I could make it to the fence."

"I don't think it's very funny."

Dig those chicks!

"I want to help too!"

"Ooh! This thing's rotten!"

"We're free!"

"You'll never make it past us!"

"Frequently, being right and doing what is right can bring down upon us criticism and derision, while going along with things, even though we know they are wrong, will keep us 'in good' with the crowd and our associates. And it is right here that the men are separated from the boys. When our desire to belong to our crowd is more important to us than standing up for what we know to be right, we have to admit that we are lacking in the two most important attributes of a human being: courage and maturity."
